Product Description

The Champ 36 Grill uses the series' renowned technology for low-fat grilling to help you cook healthy and delicious food. With its double-contact grilling design, it can cook food in half the time as a traditional grill. This Champ grill has 36 sq inches of grilling space. It's a great choice for two people to use on a regular basis. Two hamburgers, boneless chicken breasts, eggplant slices or other food items can fit onto the irons with ease. This compact grill also comes with a temperature indicator light that glows when the plates are heated to cooking temperature. Its ergonomic handle makes it easy to use. **Grease or excess water runs right off your food into the grill grates and down the slope to the drip trays for easy clean-up.** To handle larger and thicker cuts of meat, the Champ 36 Grill has a floating hinge that adjusts the grates as needed. This handy kitchen appliance would make a great gift for someone just starting out.
